RE: Reference Letter for Carl Harrison

To whom it may concern,

It is my pleasure to recommend Mr. Carl Harrison to work with **CADENA international development projects**. I am the Senior Manager at Aid to Artisans, a division of Creative Learning Inc., an international non-profit organization based in the Greater Washington DC area that aims to strengthen artisans' businesses and link them to the US and tourism markets.

I became acquainted with Mr. Harrison through my Director, Mrs. Maud Obe, who has known Mr. Harrison for several years. For the last few years, Mr. Harrison has been working as an advisory with our organization. His support includes, but is not limited to, reviewing grants applications, providing recommendations, and providing insight and feedback on reporting.

Through his efforts Mr. Harrison has helped our organization improve our grantee application, review and reporting processes. Our latest report can be found here: <https://indd.adobe.com/view/09eb6a29-f8d2-4e85-a410-592f39803c9e> . We are also in the process of working with Mr. Harrison to create training courses that will be available to our global network of artisans.

Mr. Harrison has many years of experience in supporting artisan businesses and individuals around the globe, and we would highly recommend his services to your organization.

Should you have further questions regarding Mr. Harrison, please do not hesitate to contact me.

Sincerely,

Rachel Landale
